Vermontville Township Library
2019 Summer Reading Program
A Universe of Stories

JUNE 11-AUGUST 6, 2019

How it works!!

Each year the Vermontville Township Library presents a summer reading program full of fun events, movies, and a reading challenge. The program is designed to encourage children to keep reading during the summer, to use the library and its resources, and to have fun.

What ages may participate? Patrons ages 6-17 are invited to participate in the reading challenge

Do I have to attend programs to participate in the reading challenge? No. You may participate in the reading challenge without attending the special programs. You do not have to register for the reading challenge in order to participate in the events.

How does it work? To participate in the reading challenge, pick up your reading materials packet on June 11. Your packet will contain reading logs for you to track your summer reading. You will earn credits for each book or activity on the reading log. Turn in the log pages and we will record your credits. You will use your credits at the end of the summer to purchase prizes at the auction held on August 6. You may continue to do challenge sheets all summer long, but you must fill out each sheet completely before you can begin another one.

What Can I read? All books read must come from the Vermontville Township Library (or borrowed from MeLCat) and must be age appropriate.

When Can I read? Reading will begin on June 11 and end on Saturday, August 3, 2019

When can I claim my prize? The prize auction will be held on August 6, 2019 at the wrap up party/ice cream social.
