and the parents are correspondingly  
happy.

P. P. Scott, D. Decker and H. H.  
Church have been spending a few days  
at Nashville in the interest of the Palm  
Beach Co. Land Co.'s property. Sev-  
eral Nashville citizens bought land as  
they know that a former Nashville  
man, Charles Smith, has made good  
with his Florida land.

The L. C. A. will meet at the chapel  
parlors Thursday, March 20th. An-  
nual business meeting. Supper will  
be served at the usual hour by the  
following committee: Mesdames F. F.  
Ambrose, E. D. Barber, E. G. Bow-  
man, E. F. Edmonds, H. W. Davis  
and W. C. Alsover.

Miss Mary Seitz was the holder of  
the ticket at Barber Bros.' Saturday  
which entitled her to carry home the  
set of dishes. Mary is somewhat at a  
loss as what to do with them as she  
doesn't have much time for housekeep-  
ing while officiating as chief operator  
at the telephone office.

Word comes from Linton, Oregon,  
that the home of Robert Griswold has  
been made happy by a visit of the  
stork on last Thursday. That busy  
old bird left a young man at the home  
and the fond parents have named him  
William Predmore Griswold. All the  
many Michigan friends extend hearty  
congratulations and best wishes.

The many friends of Mrs. Dalzell  
will be pleased to learn that she is  
out of all danger and that Rev. Dal-  
zell will be in Vermontville in time to  
conduct all services at the Congrega-  
tional church on next Sunday. All are  
invited to attend the services.

### House Destroyed by Fire.

Sunday morning fire was discovered  
by some of the neighbors in the roof of  
the home occupied by Mr. and Mrs.  
Lyman Mosier east of town and owned  
by Ed. Moore of Jackson. Help was  
summoned but the fire had gotten such  
a start that the house and a portion of  
the contents were destroyed. The fur-  
niture and supplies on the first floor  
and in the cellar were practically all  
saved but the things up stairs were  
nearly all destroyed.

Both the house and contents were  
partially covered by insurance but not  
of sufficient amount to make either the  
Mosiers or Mr. Moore good on the loss.  
It is supposed the fire originated from  
a defective chimney as the fire was  
discovered first in the shingles.

### Some Egg Producers.

Here is an egg story which will  
make the hens about here get up and  
dust to come up to the record made.

F. J. Bailey has a pen of buff leg-  
horn pullets 9½ months old on March  
15th, that have laid 1031 eggs, aver-  
aging 51½ eggs per hen. These eggs  
were laid this winter. These pullets  
are from hens with egg records of 219  
to 267 eggs per year.

### Change in Grocery Firm.

Monday it was announced that the  
firm of Allen, Eckhart & Lentz had  
changed, Mr. Lentz selling his inter-  
est to his partners who will continue  
the business under the firm name of  
Allen & Eckhart. Mr. Lentz is to  
move to Charlotte where he will enter  
the employment of Lamb & Spencer  
in their big store. Just when he will  
move has not been settled as yet but it  
will be within a short time. The re-  
moval of Mr. Lentz and family to  
Charlotte is to be regretted as one al-  
ways hates to see good citizens leave  
our village.
