Main Street in Vermontville took on a very patriotic appearance early in the day and the veterans of the Civil, Spanish and World War and the Boy Scouts were on hand early

to for the parade to Woodlawn cemetery where the forenoon exercises were held, the Scouts did the decorating of the graves of soldiers of all wars, and they and their Scout Master received many compliments for the fine work they did. Ernest Austin should also be given credit for the drill work put on by American Legion and Boy Scouts.

The program at the Opera House in the afternoon was carried out with a little change, instead of the Male Quartet, the Grange chorus choir gave a fine selection and Mrs. Snell in behalf of the W. R. C. presented the Boy Scouts with a flag. Neil McLaughlin giving the speech of acceptance.

The program was one of the best ever given on such an occasion. The address, by Rev. L. H. Cone, while a little different from the ordinary Decoration Day speech, gave us all something to think about, and was well received.

The boys of '61-'65 who were able to attend the exercises were: H H. Brown, D. M. Purchis, A. J. Brown, C. F. Fuller, S. A. Fuller, Dr. Snell, J. B. Sted, David Young, Myron Steves, Wm. Surine and Eugene Olin.

Vermontville Cemetery has had many improvements the past year. The most noticeable is the work done by James McCotter the new fence and entrance, the large number of new monuments and markers that have been placed, and the general neat appearance as the result of the work of the sexton.

Joe Griswold of Grand Rapids made his usual early Decoration Day visit to the Vermontville Cemetery. We wonder why some so near the cemetery have seemingly forgotten the last resting place of their dear ones.

Mr. and Mrs. Lynn H. Wheaton and family formerly of LaCrosse Ind. are now occupying their farm they recently purchased of Frank Smith. The young people are Miss Shirley, a high school graduate, Milton who will be a V. H. S. Junior next year, and Miss Ruth a Freshman.
