Arthur E. Harroun

Arthur E. Harroun was born in Vermontville township, Eaton county, Michigan, Nov. 30, 1878, and departed this life at Charlotte, June 10, 1936 at the age of 57 years, 6 months and 10 days. He was a son of George B. and Elgia Harroun. He spent his boyhood and early manhood at home. He later did a great amount of carpenter work, although for the past 25 years he was employed as a clerk for Charles Lamb of Vermontville and Spencer Co. of Charlotte.

Mr. Harroun was a very quiet reserved man, always ready to help those who were in need. Although never enjoying good health he went about his work without complaining. Honest in all his dealings, kind hearted and respected, he will be greatly missed by us all.

Below is that man with that infectious smile again—none other than Dutch Lang, sub-foreman under Otto Tishrock in department No. 3 at Plant No. 2. Dutch may not be a "Singing Marine," but he is at least a singer, according to the members of the "choir" who entertained during the golf tournament at Walnut Hills last summer.

And this is Vern Armstrong, who has worked his way up through the ranks to hub shop superintendent.

Left above is Paul Ambler who has charge of steam fitters and plumbers at Plant No. 2. On the right is Clarence Blackmar, superintendent of the steel room at Plant No. 2. Clarence is another one of the old timers around here.
