

OBITUARY

In Memory of Mrs Frances E. Kelly

The Ladies Christian Association of the Vermontville Congregational church, wish through this medium to pay tribute to our loving and faithful friend, Frances Kelly.

The wife of retired minister, Rev. Mathew Kelly, with whom she served many years. When they came to Vermontville both continued in the work of the church. Rev. Kelly passed away years ago.

Mrs Kelly remained active in the church and Sunday School for as long as she was able. She preferred teaching in the youngest group where she seemed to have almost a magic way with them. Children all loved her. During later years her hearing grew dim so she sat with the little ones, making the services more enjoyable for the parents of young children.

Her wants were few. Her faith was so strong, that she she never seemed concerned as to her own physical needs. Her greatest source of pleasure was doing for others. In the past 10 years, Mrs Kelly made scrapbooks, which she sent to childrens wards in the hospitals all over Michigan. She received many letters from people whos little ones had had a scrapbook by her.

When it became evident that she could no longer care for herself in her own home, she made perhaps the biggest de-

sision she was ever called upon to make. She applied for, and was granted admission to Pilgrim Manor, a Congregational home in Grand Rapids. Here she adjusted quickly to her new environment, spreading sunshine among the other residents, until early last year, when she was forced because of illness, to spend most of her time in bed. She has gone from life, but we who loved her, will remember always, her loving way. Members of the Vermontville Congregational Church
