Death Of Casey Jones' Fireman

MEMPHIS, Tenn. (AP)—Cancer has killed the man who was the firemen when Casey Jones made his fabled final run in the "cannonball express."

Simeon T. (Sim) Webb, 83, of Jackson, Ten., died in hospital Saturday night, 57 years after the cannon ball burst through a stalled freight train on the Illinois Central line near Vaughn, Miss.

Obeying Casey's shouted order "jump for your life," Webb leaped from the cab of the steam engine. Casey, with brakes locked and whistle screaming, rode with the locomotive and was killed.
