

I know not what the future hath
Of marvel and surprise
Assured alone that life and death
His mercy underlies.

And so beside the silent sea
I wait the muffled oar;
No harm from Him can come to me
On ocean or on shore.

I know not where His islands lift
Their fronded palms in air;
I only know I cannot drift
Beyond His love and care.

Mr. Park, 59, had worked at Motor Wheel since December 6, 1928 when he joined dept. 17. In the following years he worked in several different departments and in 1952 was promoted to assistant supervisor of the Plant No. 2 maintenance group. He held that position until his death.

Mr. Dennis, 52, had been a Motor Wheel employe since December 18, 1928. He started in the die storage department and remained there the entire period of his employment. Mr. Dennis has two sons with Motor Wheel, Don of the shipping department, and Kenneth, a driver.
