TO WHOM IT MAY CONCERN:

I am writing to support the application made to the Michigan Equity Grant for funding for additional restoration of the Opera House in Vermontville. This beautiful old building in the quaint village of Vermontville carries much history.

The Opera House, once completely restored, will be used for public display of historical materials. It will also serve as a center for youth projects and other events within the community.

To complete the renovation already started at the Vermontville Opera House would be a worthwhile project and a great benefit to the area residents. Please give this application every consideration, and feel free to contact me if I may be of further assistance to you.

Very truly yours,

  
FRANK M. FITZGERALD
