Opera House Restoration Committee  
Vermontville, MI. 49096

Dear Hildred:

I would like to congratulate you and your committee on the fine work that has taken place on the Opera House. We, at Maplewood, are looking forward to the opportunity to have access to a stage for student programs. This has been a need of our school for a long time. I anxiously await the time when we can start using the facility.

I am disappointed to hear of the roof problem. I hope that you are able to secure a grant to cover the cost of the completion of the project. It would be a shame to have come this far only to be stopped short for lack of funds. If there is any way in which I can be of some help to your cause, please feel free to contact me.

Sincerely,

David Doozan
