To Whom It May Concern:

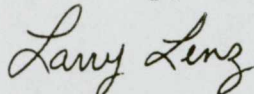

I am writing in support of additional funds being made available for the restoration of the Vermontville Opera House.

This historic landmark is very significant to the citizens of Vermontville and residents of the Maple Valley School District. Its restoration will help to nurture the pride felt by the citizens throughout the community.

The opera house has and will continue to be made available for school functions.

It is with great enthusiasm that I support the appropriation of additional funds for the most worthy project.

Sincerely,

Larry Lenz
Principal
