J. H. Squier and sister, Mrs. Clara Vaughn returned Tuesday afternoon from a three weeks visit through the south. They were at New Orleans in time to witness the great celebration of the 50th anniversary of the state fire department, which they say was grand beyond description. They were very much interested with the manners and customs of the inhabitants of the Crescent City and in the varied branches of industry represented at the Exposition. They visited the Gulf, and give interesting descriptions of the great orange groves and rice, sugar and cotton plantations seen along the banks of the Mississippi. The temperature of the atmosphere during their stay was from 60 to 90 above most of time the weather being warm and pleasant. They say while the Exposition is not so good as the Centennial at Philadelphia, that no one would regret a visit to New Orleans and the Gulf.

The boxes being sold, the company proceeded to the various tables and proceeded to do justice to their contents, during which time the following toasts were proposed by Commander E. Hanford, and responded to by the persons whose names appear in connection with the toasts: "Our social natures." May we be made better by its exercise. Rev. H. R. Williams; The "Grand Army of the Republic." Hon. Duane Hawkins; "The Ladies." E. U. Stiles; "These boxes." May their contents give us pleasure and may we feel no subsequent pain, W. E. Holt. THE TEACHER'S EXAMINATION.

Held at our Union school building last Saturday was attended by 62 as intelligent and comely appearing young men and maidens as have appeared before the Board of Examiners in Eaton county for many a day. We predict that fully nine tenths of them passed a competent examination. Prof. Schurtz of Eaton Rapids and Prof. Wagner, of Grand Ledge, were the only members of the Board present. Miss Jones was unable to be present owing to the severe illness of her brother at Lansing. R. D. Leisenring of Eaton Rapids assisted in her stead and performed his part in a manner well becoming the dignity of a high school graduate.
