REGISTER OF BIRTHS

Village of *Vermontville*
(Township or Village.)

County of *Eaton*

From *December 1*, 19*31*, to _____, 192_____

PRESERVE WITH CARE. Copy each certificate of birth as soon as received, numbering it in order and entering date of filing. Notify physicians and midwives of incomplete data, and issue blank for return of christian name when it is not given on original certificate. Registered numbers begin with "No. 1" for first birth in each calendar year. See instructions on back of certificate of birth, monthly statement slip and quarterly report to county clerk. Also read the entire law, copies of which will be sent upon request by the State Health Commissioner.

DO NOT FAIL to return all of the original certificates of birth filed with you to the State Health Commissioner when making your report of deaths on the **FOURTH** (4th) day of the following month, said births having occurred in the previous calendar month or months. Births that occur from the first to the fourth days of any month should not be returned on the fourth, but held until the complete month can be returned. As physicians and midwives have five days to report, births in the latter part of the month may be too late to return; hold them until the next monthly report. **WHEN NO BIRTHS OCCURRED** that fact must be reported as directed on monthly statement card.
